

Live it. Love it. Play it.

Volunteers

The Kitchener Soccer Club is a volunteer driven organization. Each year the Club has over 400 people volunteer their time to coach or convene a variety of age groups and teams ranging from Recreational to Competitive.

There are many ways to get involved in your Soccer Club other than coaching. We are in need of volunteers at a variety of levels from the Board of Directors to the Tournament Committee to office volunteers. Please visit the navigation on the left hand part of your screen to find more information on volunteering.

For more information on Coaching at a House League Level or Competitive level, please visit the coaches bench section of our website.
